LEARNING FOR WORK & LIFE

ESL-Family Literacy Program

About Us

This program serves immigrant parents and caregivers with limited English language skills, helping them to communicate more effectively in English, as well as equipping them with the necessary resources and tools to support their children's learning to **read on grade level**.

Requirements

- ❖ To have at least one child in Pre-K - 3rd grade at one of our **partnering schools****
- ❖ To participate actively in the program
